## QUALITY

When you come to Reflex Panelbeaters and Spraypainters, you will be assisted by our highly experienced damage estimators who will guide you through the repair process.

We pride ourselves in delivering quality repairs and we have established an excellent reputation with all insurance companies.

## TRAINING

Our staff are regularly achieving their personal goals and improving their skills. We empower our staff by helping them with the practical experience they need to fulfil their courses that they attend.

## ENVIRONMENT

We believe in actively doing our utmost in looking after the environment. We have therefore introduced, as one of our paint products, a waterborne based paint, which is a safer choice for the workplace and the environment. In addition, we practice environmentally friendly disposal of waste material.
